All we strive towards, is to keep up with your egg-spectations. And that is egg-jactly what we hope we'll manage to do, with our next awesome {at least we think so} plan. Gurgaon, we're coming for you!

We know a certain someone, who asked you to follow the yellow brick road, but given the weather, we're asking you follow the yellow big truck instead.

LBB and EGGjactlythefoodtruck are taking to the streets! We will be driving around Gurgaon on two separate days, for some mobile mayhem. We're bringing waffles, burgers, wraps and shakes to 6 different spots in Gurgaon. All we're asking of you, is to gather your friends, family, foes or colleagues, drive down to where we are, and catch up with us over a fine menu. Need some incentive besides the pleasure that is our company, and an [incredible menu](#)? You have the option of signing up, and RSVPing to our open invitation. This will entitle you to a 20% discount voucher on orders above INR 400. Our wheels are also turning to put together an EGGjactlythefoodtruck and LBB special for the menu, but we should keep at least one thing under wraps.

For the uninitiated, EGGjactlythefoodtruck was one of the city's first GPS enabled food trucks. Now a permanent parked fixture at various spots in Gurgaon, we're getting on board for a little meet and greet with you! LBB has a bunch of goodies on board for people who do make it, so make sure you ask to meet someone from the crew.
